Re: Star Mazda Championship Test Days

Please note for your 2009 planning; the Star Mazda Championship has three tests scheduled;

- 1) The IMSA/ALMS Sebring Winter Test, January 26 - 28.
- 2) The Milwaukee Mile, May 20 – 21
- 3) Iowa speedway, May 27 – 28.

Tests are open to all Star Mazda Championship teams and you are encouraged to participate. Additional information on schedules, charges, entry forms, etc. will be forthcoming as soon as available.
