Re: Watkins Glen Test Day Information / Under age drivers

There will be an IMSA-sanctioned test day at Watkins Glen exclusively for Star Mazda Championship teams and drivers on Wednesday, June 4. It will be supported by VP and Goodyear, as well as IMSA and the Series.

The track will be available to pro FMs essentially all day Wednesday. Teams will be located in the paddock in their race weekend spots, so no extra set-up and teardown will be needed. Registration and move-in for the rigs will be Tuesday afternoon/early evening.

**IMPORTANT:** Drivers under 18 years of age will be required to comply with the special waiver conditions relating to Watkins Glen and New York. Please see attached PDF file with information on the procedure required to secure a court order allowing underage drivers to compete. A lawyer's help may be useful and while you are free to use your own attorney, a list of Watkins Glen-area attorneys familiar with the process are included in the document.

***We urge you to begin this process immediately and make sure it is completed well in advance of the test day and race weekend. Under age drivers without the proper legal permission and paperwork will not be allowed on track.***

Sincerely,  
Gary Rodrigues
