ZOOM-ZOOM

THE MEEK SHALL INHERIT THE REARVIEW MIRROR.

More than 40 of the hottest young drivers in North America. Going wheel-to-wheel, lap after lap, in 170+ MPH Pro Formula Mazda race cars. Powered by identical high-rev Mazda RX-8 rotary engines. The Star Mazda Championship Presented By Goodyear. More cars, more passing, more excitement than any other open-wheel series in North America. Experience rotary power yourself with a private RX-8 test session at your nearest Mazda dealer or visit MazdaUSA.com.

Catch the Star Mazda Championship on **SPEED**
