IT'S FEEDING TIME IN THE SHARK TANK.

And they've already started to circle. The 2005 Star Mazda Championship Presented By Goodyear. More than 40 of the hottest young drivers in America. Eleven tracks. One trophy. One blisteringly fast 170 MPH RX-8 rotary-powered Pro Formula Mazda racecar. And with names like Andretti and Rahal, the feeding frenzy's always intense. If you think formula car racing is boring, you've been watching the wrong formula. Experience street-legal RX-8 rotary power for yourself at your Mazda dealer or visit MazdaUSA.com.
