Re: A couple of quick notes for the teams going to Sebring:

- 1) The discount for race entries submitted 30 days prior to the event has expired.
- 2) IMSA has some condos available at Spring Lake. Anyone needing a place to stay for the race week can contact Beth Spikes at bspikes@springlakegolf.com or (800) 635-7277.
- 3) **IMPORTANT:** The 2009 rules, just published, did not mention that Experts and Masters Championships will be determined by scoring the best 10 results for each driver.
- 4) We have still not received pre-season paperwork, including Driver Publicity forms, from most of the teams. If we do not receive this material in the next few days, your team, driver and sponsors may not be listed in the event program and presskit – and there may be long delays waiting for paperwork to clear if you do not file until at the track.
