Re: Mosport Border Crossing Advisory

This bulletin is being sent as a reminder that Canada has requirements for individuals convicted of driving under the influence, misdemeanor or any other crime.

Prior to entry into Canada an individual must:

- a. Report the offense to Canadian authorities, and
- b. request approval from the Canadian authorities.

Failure to report an offense and request approval from the appropriate authorities may result in the individual being denied admission at the Canadian border.

We strongly recommend that individuals report any violations immediately as the approval process may be lengthy.
