Re: Star Mazda Test Days with ALMS at Sebring Jan. 27-28

IMSA and the American Le Mans Series will hold its annual Winter Test at Sebring International Raceway from January 26-28. Star Mazda testing is available on 27-28 and all teams are encouraged to participate. All drivers participating in the test must have 2009 IMSA licenses.

Entry fees are \$1,500 (includes both days) for Star Mazda teams filing entry forms on or before Jan. 15. The fee for teams filing later is \$2,000 (includes both days).

The schedule (see attached) shows Star Mazda teams on track for five 1-hour sessions over the two days. Teams who ordered upgrade parts for their cars should have them prior to the test and the series will have spares available on-site. In addition, experts from Ohlins, Quartermaster, Star, and Goodyear will be on hand.

If you are unable to bring your team, or have not yet signed driver deals, we still strongly encourage you to send a qualified representative to the test to gather information that will enable you to get up to speed as quickly as possible.

Regards,
Gary Rodrigues

SEBRING WINTER TEST SCHEDULE
