Re: 2009 Supplementary Regulations final / Logo Compliance / Series forms

2009 Supplementary Regulations

Attached, as both Microsoft Word Document and PDF file, are the final, approved version of the 2009 Star Mazda Championship presented by Goodyear supplementary regulations. They are also posted on the series web site; please review them carefully as soon as possible; enforcement of all regulations begins at Sebring.

Logo Compliance

Also on the series web site are the 2009 Star Mazda Logo Compliance document (<http://www.starmazda.com/competitors/2009/rules/2009%20Logo%20Placement%20Requirements.pdf>)... **New teams particularly take note.** And for all team PR personnel, please note that you are required to have the Star Mazda logo on all releases, and for them to be posted on the series web site they must be submitted to both webmaster Eric McCombs (seattime@gmail.com) and Communications Director Peter Frey (StarMazdaPR@aol.com) as a PDF file.

Series Forms

All 2009 series forms that need to be filled out by teams and drivers are posted on the web site under the Competitors / Series Forms section;

<http://starmazda.com/competitors/2008/forms.htm>

Please fill these forms out and submit them to the series as soon as possible... even if your driver lineup is not complete, submit forms for those drivers who are signed. A duplicate Driver Publicity information form should be sent to Peter Frey (via e-mail or paper mail) at the address below.
