

## **Technical Bulletin**

**April 25, 2009**

**The markings on the PFC rotor that corresponds to Star Race Cars part numbers are:**

**040-552 = 278.18.0041.51**

**040-553 = 278.18.0041.52**

**These numbers are laser etched on the outer edge of the rotor. Please check your rotors for compliance – any rotors that do not have the manufacture number clearly readable on the rotor will be disallowed as a non compliant part.**
