Re: **IMPORTANT** – Mandatory VP Fuel pre-order dates and form

VP Fuel has developed a new pre order form this year that must be filled out and sent to them well in advance of each race. They will only bring fuel that is pre ordered to the race event. A copy of this form was sent to all the teams before Sebring, and posted on the series web site here: <http://starmazda.com/competitors/2009/forms/Star%20VP%20Order%20Form.pdf>

A copy of the form is also attached to this e-mail.

Not all teams used the form at Sebring, and VP was able to bring additional fuel to make sure everyone was covered. **THIS WILL NOT BE THE CASE AT FUTURE EVENTS – YOU MUST PRE ORDER YOUR FUEL BEFORE THE DATES LISTED BELOW.**
