Re: Info for Autobahn and Test Day Entry Form

Attached in a .zip file are four pdf files of information about Autobahn... hotel info, contacts, etc. All Autobahn contact information is contained in these forms.

**Most important is the Test Day Entry Form.** Autobahn test day is July 23. Please note that test day fees for forms submitted prior to July 13 is \$375 per car; after that it goes up to \$400 per car.

This information will also be posted on the series web site.
